Dear Sir,

PUBLIC SERVICE
COMMISSION

W and W Service Corporation is filing with the Public Service Commission Of Kentucky for a rate increase from \$16.74 to \$19.00 monthly. The Public Service Commission has already checked our books and may order rates to be charged that differ from these proposed rates, This is not an addition to the rate increase we previously proposed but is merely a clarification as the address we reported for the Public Service was incorrect.

1. Any corporation, association, body politic or person may request leave to Intervene by motion within 30 days after notice of this proposed rate change is given.
2. That the motion shall be submitted to the Public Service at 211 Sower Blvd., Frankfort. Ky. 40602. and shall set forth the grounds for the request including the status and interest of the party making the request.
3. That copies of the application and all supporting documents may be Obtained by contacting Dr, Kenneth Wise at 270-5543229.
4. Without making application therefore, the Attorney General's Division of Consumer Protection will be deemed to be an intervening party.

Kenneth Wise, Sec.
